

Stanton B. Davis, MD

Dr. Davis is a member of The Orthopaedic Center Sports Medicine Team. Board-certified in orthopaedic surgery and sports medicine trained, he specializes in shoulder and knee surgery with advanced training in arthroscopy and minimally invasive surgery to reduce the pain of surgery and help patients return to peak performance faster. He applies the latest techniques in injury prevention, rehabilitation and surgical treatment of sports and work related injuries. Dr. Davis is certified in the Holmium YAG Laser and FDA approved for the Oxford™ knee. He served as team physician for Stanford University, Auburn University and the San Francisco 49ers as well as several U.S. Olympics athletes. He currently works with the Huntsville Havoc minor-league hockey, the Tennessee Valley Vipers arena football and A&M University varsity teams.
