

David B. Griffin, MD

Dr. Griffin is a member of The Orthopaedic Center Trauma Team and Joint Replacement Team. He is board-certified in orthopaedic surgery and has completed fellowship training in orthopaedic trauma and pelvis acetabular reconstruction. His goal is to provide comprehensive care for severe injuries. Dr. Griffin offers trauma care in a timely and appropriate fashion to increase the potential for significant recovery. His patients always receive a detailed explanation of procedures in order to ease their concerns.
