

## Eric Stanford, DO

Sports Medicine

Joint Replacement • Knee • Shoulder • Upper Extremity

Born and raised in Alabama, Dr. Stanford received an associates degree in biology from Beville State Community College in Hamilton, Alabama, and his undergraduate degree in biology from the University of Alabama at Birmingham. He graduated medical school at Kansas City University of Medicine and Biosciences (KCUMB) in Kansas City, Missouri and trained in orthopaedic surgery at St. Mary's Medical Center in Blue Springs, Missouri. He then completed a one-year sports medicine fellowship at the prestigious Hughston Clinic in Columbus, Georgia.

Dr. Stanford is board eligible in orthopaedic surgery. He is a member of the American Academy of Orthopaedic Surgeons, the American Osteopathic Academy of Orthopedics and the American Orthopaedic Society for Sports Medicine, among others. He was an adjunct faculty assistant professor at KCUMB during residency and currently serves as an adjunct professor at The Edward Via College of Osteopathic Medicine (VCOM) and the Alabama College of Osteopathic Medicine.

Dr. Stanford has a passion for sports medicine and the health of athletes. He has treated athletes and worked with the sports medicine team for Golden Glove Boxing and the Kansas City area high school football teams. He was also the resident team physician for the Kansas City Comets soccer team. During his Hughston Sports Medicine Fellowship, Dr. Stanford worked with the Hughston Certified Athletic Trainers and Fellows in high school athletics and college athletics at Auburn University and Valdosta State University. While there he also participated in academic research in sports medicine and orthopaedics.
