

Michael W. Cantrell, MD

Sports Medicine • Shoulder • Knee

Dr. Michael Cantrell is a member of The Orthopaedic Center Sports Medicine Team. Board Certified in Orthopaedic Sports Medicine, Dr. Cantrell specializes in arthroscopic and open reconstruction of the shoulder and knee. This includes shoulder and knee arthroscopy, tendon repair, and ligament reconstruction. Dr. Cantrell applies the least invasive, most effective techniques in surgical treatment and rehabilitation of sports injuries and other orthopaedic conditions.

Also Board Certified in Ringside Medicine, Dr. Cantrell is a USA Boxing and United States Olympic Committee physician, providing sports medicine coverage for events such as the U.S. Olympic Team Trials and World Championship Professional Boxing. He is team physician for Oakwood University and several area high schools. He is team physician for numerous martial arts, CrossFit and gymnastics facilities. Dr. Cantrell also works with the Huntsville Havoc. He is a former team physician for The University of Mississippi as well as a former U.S. Air Force staff Orthopaedic Surgeon.

Procedures

- **Shoulder arthroscopy:** Bone spurs, impingement, tendinitis, rotator cuff tears, labral tears, SLAP tears, biceps tendon tears, shoulder dislocations, AC joint separations, frozen shoulder/adhesive capsulitis, etc.
- **Knee arthroscopy:** Meniscus and other cartilage tears, ACL and other ligament tears, patella dislocations, etc.
- **Elbow surgery:** Biceps tendon tears, UCL tears (Tommy John surgery), etc.
- **Bone marrow aspirate “stem cell” injections:** Knee arthritis and other needs
- **Platelet-rich plasma (PRP) injections:** Tennis elbow, patella tendinopathy, knee arthritis, etc.
- **Needle arthroscopy (mi-eye):** Alternative to MRI. See what’s going on inside your knee, in the office. No separate visit required.

More schools, teams, and athletes trust The Orthopaedic Center’s Sports Medicine Team than any other practice in the region.

We keep YOU in the game.
