

David A. Kyle, DPM

Podiatry

David A. Kyle, DPM, is an Andalusia, Alabama native and graduate of Auburn University with a bachelor's degree in Biomedical Science. Dr. Kyle earned his podiatric medical degree from the Arizona School of Podiatric Medicine at Midwestern University in Phoenix, Arizona. He then completed his surgical residency in Louisville, Kentucky, where he served as chief surgical resident at the University of Louisville and KentuckyOne Health, Podiatric Surgical Residency Program.

Dr. Kyle has extensive experience in podiatric surgical and non-surgical treatment, diabetic limb salvage, and wound care. He served as the Medical Director of the University of Louisville Wound Program, working very closely with the Chief of Vascular Surgery at the University of Louisville. He created a diabetic limb salvage network and became a leader in his field and community in wound care, resulting in requests for national consulting and speaking engagements. Dr. Kyle is board qualified by the American Board of Foot and Ankle Surgery, a member of the American College of Foot and Ankle Surgeons, and a member of the American Podiatric Medical Association.
